RE: Senate Victory Fund PAC
I.D. No. C00202861

Dear Mr. Dodson:

This letter is in response to your request for additional information concerning the mid-year and April quarterly reports filed for the above referenced entity. Please be advised that this is an unconnected PAC and that no organization pays any of the expenses incurred on behalf of this organization. The Senate Victory fund has minimal activity and minimal operating expenses. All of the administrative expenses are carried on through an administrative services contract provided by Nail McKinney Professional Association. Nail McKinney furnishes all of the office space and office personnel necessary to carry out the minimal activities that are required by the organization. The fee paid to Nail McKinney for these services is properly reported on the report.

We trust that this information is sufficient to answer your inquiry. However, if you need additional information or assistance, please feel free to contact me at (601) 842-6475.

Sincerely yours,

John M. Robinson,
Treasurer
